

Manufacturers Certificate from Newmac Mfg. Inc.

The American Recovery and Reinvestment Act of 2009 (recovery Act) provides a 30% consumer tax credit (up to \$1,500) for products that meet the IRS guidelines and are purchased in 2009 or 2010. For more information, visit www.irs.gov/pub/irsdrop/n-09-53.pdf or www.hpba.org. Homeowners should consult their tax advisor to determine whether they qualify for any potential tax credits, and for information on filing for this particular credit.

The following products are "Qualified Energy Property" and are eligible for a tax credit as Biomass-Burning Stoves as defined in Section 5.01 of Notice 2009-53 of Part III of the Internal Revenue Service code:

Classic I EPA NC100E Woodstove
Classic II EPA NCM120E Woodstove
Status EPA NS220E Woodstove

Under penalty of perjury, I declare that I have examined this certification statement, and to the best of my knowledge and belief, the facts are true, correct, and complete.

Issued June 30, 2009
